English Breakfast

These medium sized leaves produce a copper liquid that has a bright and fragrant cup. The tea is smooth and full-bodied with a malty aftertaste that stands up to a splash of milk or lemon.

Berry Green

A combination of Chinese green tea with strawberry fruit pieces, organic cacao nibs, and a fragrant fresh strawberry flavoring, to create a blend that is refreshing and aromatic. Light strawberry cream taste and just a hint of chocolate.

Lychee Red

A Chinese black tea that is flavored with the essence of the lychee fruit. Naturally sweet and floral with a hint of vanilla.

Lemon Verbena (decaf)

Made from the leaves of the Verbena flower, this tea is outstandingly refreshing, with an invigorating aroma. Verbena is known to have medicinal elements and helps ease aches and pains.

Spring Dream Rooibos (decaf)

A wonderful blend of green rooibos with cacao and cinnamon and flavored with Bavarian chocolate, cinnamon and hazelnuts. It brews to a golden cup with the delicious aroma and taste of cinnamon baked goodies.
